Date 5-27-98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

As A forth generation rancher in Plumas
County my family And I know the importants of
water here in the high desert And the State AS whole.
We believe before Any of these Alternatives Are Adopted,
we must first Protect Are Surface And ground water
rights And strengthen point of Origin rights. We Are
Strong Supporters of new DAMS And other water Storage
projects. Lets do these things first.
